KATRINA HANSON

With Motion I competed in 15 dances plus two trios and two solos in a variety of styles including lyrical, hip-hop, tap, jazz. I feel fortunate to have worked with some of the most talented people in the dance industry including Jeff Lapes, Leo Morimune, Dee Caspary, Danny Tidwell, Emily Shock, Lane Alexander, AJ Russo, Mandi Bryan, Luke Kolling and Justin Giles. Currently I spend my time at the well-known Planet Funk Academy, Director Shawn Welling. Fortunately, I found myself a member of Planet Funk Team U.S.A. that recently traveled to Doha, Qatar to perform at the RasGas Train 6 Inauguration. This memorable trip presented itself as an amazing experience and I feel so honored to have been apart of that great journey with Planet Funk. I now have become heavily involved in this studio and it is easy to fall in love with it. I now teach classes there to help spread my love and knowledge to other dancers that seek to learn the same.

JASON ANDERSON He started training under Jermaine Browne and Luam and soon started working with the top choreographers. From Carnival with Jermaine, to industrial shows with Luam, going on auditions for commercials, to even dancing in a TV show sitcom, was just the many things he wanted to accomplish. "I love the fact that I can inspire children of all ages through Hip Hop Dance movement. This journey has only begun. Where it takes me from here are endless possibilities." Jason now owns his own youth hip hop company, "Hip Hop in the City", that he owns and operates. Jason has continued his dance training by taking dance classes with Sheryl Murakami, Luam, Rhapsody,
